

**THE SWAN INN, DENHAM VILLAGE**  
**Celebrations Big or Small We Host Them All**

Whether it's a cosy celebration, a sun-drenched garden party, or a laid-back gathering with friends, our charming country pub — complete with a gorgeous terrace and lush green lawn — is the perfect setting. Set in a picture-perfect village, we're here to make your special moments unforgettable. From birthdays and anniversaries to casual get-togethers and bespoke events, we've got you covered.

## VILLAGE WEDDING – WHOLE PUB HIRE

There's something timeless about a village wedding (maybe slightly biased as Jack & Millie had a Denham village wedding). Say "I do" at the local church, just a short stroll from the pub. Then it's back to the pub — pints in hand and smiles all around. Followed by a feast of seasonal food, flowing drinks, and laughter-filled speeches carries the party into the evening. As the sun sets, the dance floor comes alive.

Example of your day: Pints in the pub pre church, Ceremony, Drinks on the terrace/our clear marquee, Speeches pre dinner or during dinner, Dinner in the pub (max 65 guests), Cocktail hour in our clear marquee then it's time to dance the night away

### **More than 65 Family & Friends?**

A marquee can be set up on the lawn for larger gatherings — you're welcome to arrange it yourself, or we'll be happy to handle everything for you (included within our event planning fee).

### **More Friends to Invite in the Evening?**

More the merrier — for exclusive use weddings we can have 120 guests in the evening.

**Prices?** Pricing depends on the day, season, and timing — get in touch with as much of a wish list and we will send you a quote that suits your plans.

## SMALL GATHERINGS, BIG MOMENTS

Our marquee is perfect for intimate weddings of up to 36 guests seated — or we can move you outside onto the lawn if the weather is on your side. In the evening, invite more of your nearest and dearest (up to 60 standing).

## DRINKS, BUFFET & DANCING

If you're after a wedding that's a little less fuss and a lot more fun — start with cocktails, follow with a relaxed buffet or shared feast, then dance the night away with your favourite people.

## MONDAY AND TUESDAY WEDDINGS – WHOLE PUB HIRE

The whole pub can be yours — at a lower price. No hire charge. Minimum spend starting from £1,500. Enjoy exclusive use of our bar, dining space, terrace, and garden, perfect for weddings, parties, or private events with extra charm (and you have it all to yourself)

## FOOD, GLORIOUS FOOD

From laid-back buffets to hearty feasts, we serve up food worth celebrating. From sharing platters, hearty mains to late-night bites that keep the party going, our wedding food is all about flavour, comfort, and bringing people together. Whether you're after a three-course feast, relaxed sharing platters, or a buffet that keeps guests coming back for more — we'll help you build a menu that suits your day, your style, and your appetite.

**Canapes? Absolutely!** Kick things off with tasty little bites, perfect for sipping, chatting, and settling into the celebration.

**Got Something In Mind?** Let us know! We're happy to take special requests, talk through your ideas, and help build a menu that feels just right for your day. We can send over sample menus to get the inspiration flowing, then work with you to create something personal and delicious. Once the menu's written, we'll invite you in for a tasting — the best bit, of course.

Kick things off with welcome drinks with background music — from crisp champagne (or an English Sparkling) to a glass or two of Pimms. Our fully stocked bar has everything from local ales to fine wines and spirits, and we're happy to help you choose the perfect wine pairings for your meal. Fancy a signature cocktail? We can shake that up too.

Want to keep it relaxed? Guests can just pay as they go at the bar. Easy.

## SHANDY THE LANDY

Yes, that's a Land Rover... and yes, it's serving beer. Our Land Rover bar comes fully kitted out with 6 beer pumps and 100 metres of chilled beer lines — so every pint pours fresh and perfectly cold. It's the ultimate outdoor setup for weddings, parties, or any celebration where good beer (and good vibes) are a must. The best part? You get to choose what's on tap. From local ales and craft lagers to cider or even prosecco, we'll stock it with your favourites.
