CHEESE TASTING NOTES

CROPWELL ORGANIC STILTON

Made by Robin Skales in Nottinghamshire

Cropwell Bishop Organic Stilton is the 'king' of blue cheese and surprisingly Cropwell Bishop is still the only Stilton maker to produce a certified organic Stilton.

The organic cows' milk gives a mellow flavour with the same strong blue veins expected in any Stilton. It is rich and masterful, what is not to love!

BARON BIGOD

Made by Jonny & Dulcie Crickmore in Bungay, Suffolk

The only traditionally made, Brie-de-Meaux style cheese produced in the UK. The flavour of the cheese changes with the seasons, with mushroomy and farmyard notes under the rind and occasional hints of citrus or truffle flavours. With full provenance from cow to cheese, this is a true artisan cheese.

VINTAGE LINCOLNSHIRE POACHER

Made by Simon Jones, Lincolnshire

Matured for 18 months. Strong, with a hint of sweet nuttiness, close your eyes and think of a Comte, this cheese is sublime. Intensely crunchy and caramel-y.

RACHEL

Made by Roger Longman in Whitelake, Somerset

Rachel is an unusual, semi-hard goats cheese with a firm texture. The lightly washed rind gives it a sweet, nutty and lingering flavour.. The perfect cheese for those who enjoy a lighter cheese that is not too "goaty" in flavor

SPARKENHOE VINTAGE

Made by Jo & David Clark in Leicestershire

A truly wow cheese with a completely unique taste. It is matured for 18 months by which time the salt crystals have started to re- form. The caramel flavours are more exaggerated and the overall flavour is strong without being acidic. This is last Real Red Leicester on the planet! Bursting with Savory, earthy & brothy umami.

AFTER DINNER DRINKS

COCKTAILS
